DESCRIBE PRINCIPAL PURPOSE OF YOUR ORGANIZATION: _____

To enrich community life by providing educational, recreational, social, and cultural opportunities that cultivate positive values, and good character.

BRIEFLY LIST PURPOSE AND OBJECTIVES FOR REQUESTED FUNDS (Indicate if the funds are to be used for an operational subsidy or for one-time expenditures such as a project or equipment acquisition or capital improvements; indicate whether other sources are available and been applied for; indicate the reason County, rather than the City, Optional One Cent Sales tax funds are appropriate; if possible, estimate the number of citizens that will benefit):

The Tongue River Valley Community Center (TRVCC) respectfully requests capital funding toward non-reoccurring equipment costs and capital improvement projects to continue to meet the needs for the citizens of the Tongue River Valley. TRVCC has been assisted with used equipment from SCSD #1, the YMCA, and other organizations upon the opening of each center. The life of this equipment (see budget) is beginning to come to an end. As we continue to grow there are a few capital improvement projects that will be needed within 2015-2019 (see budget). The funding from one cent optional will help with these non-reoccurring expenses and will aid in the longevity of the facilities. It will help us serve our communities as we continue to grow. Along with funding from County one cent optional, TRVCC has earned income, The Towns of Ranchester and Dayton, and other grants and donations that are utilized as needed. The TRVCC is an asset to the communities in northern Sheridan County; we currently have just over 900 members that utilize our facilities on a regular basis. We appreciate the support from the County.
